

EAST HILL BAPTIST WEEKDAY CHILDREN'S MINISTRY APPLICATION FOR EMPLOYMENT

Applicants, please read the following information carefully before completing the application. These positions are temporary, seasonal, and provide no benefits.

OUR MISSION

We are dedicated to a daily investment in every child who comes through our program, as we faithfully model the love of God and share the Gospel of Jesus Christ with every child and family.

If you would like to apply here, it is important for you to know that this program is a ministry of East Hill Baptist Church and is not just a job. Please pray carefully and take very seriously your decision to submit an application to East Hill Baptist Weekday Children's Ministries. The children you will lead will range from Pre-K through 8th grade. The children are divided into groups and led to various camp activities by their Group Leader.

BASIC REQUIREMENTS FOR EMPLOYMENT

CHRISTIAN

The VII of the Civil Rights Act provides a hiring exception, which allows us to require religious qualifications in order to be considered for or offered a position in this church ministry. We hire professing Christians who are active and committed to a Christian church. Employees must be willing to teach Christian principles as approved by the Program Administration of East Hill Baptist Church. Employees may be called upon to give their testimony describing their decision to accept Jesus Christ as their personal Savior. All employees will be expected to display an appropriate attitude for working in a Christian environment and a willingness to minister to the children and fellow staff.

AVAILABILITY

Be available to work August 12th - May 23rd for assigned shifts. There will be a mandatory training and staff will be notified in advance of the dates.

STATE REQUIREMENTS

Applicants must be willing to meet all state requirements to work with children. If you are offered employment here, you will not be officially hired or allowed to start work until Level 2 background screening has cleared.

The new law prohibits child care programs from hiring anyone into the role of child care personnel, as defined in Section 402.305, Florida Statutes that has not cleared a Level 2 background screening. Cleared screening results for all child care personnel, which include volunteers working over 10 hours per month, must be received prior to the hiring and placement of the individual in a caretaker role in the child care program.

Additionally, all staff are required to pass tests for 40-hours of DCF training within the first year of working at East Hill Weekday Children's Program.
